

FK 6720 Easy Chair BLACK EDITION

Fabricius & Kastholm (1965)

The easy chair and sofa was designed in 1965. Today, 50 years later, the steel on the chair and sofa is today being produced at the same factory by the same man produced and on the same tools as back in the 60's.

The easy chair and sofa are being produced with steel from 1965. The steel was found at the factory, where the chairs originally were produced. The Loose cushions are in anilin leather.

The units come as a 1, 2 or 3-seater section or even longer.

Material:

Frame in black powder coated steel. Loose cushions in anilin leather.
