

D4 Love Seat

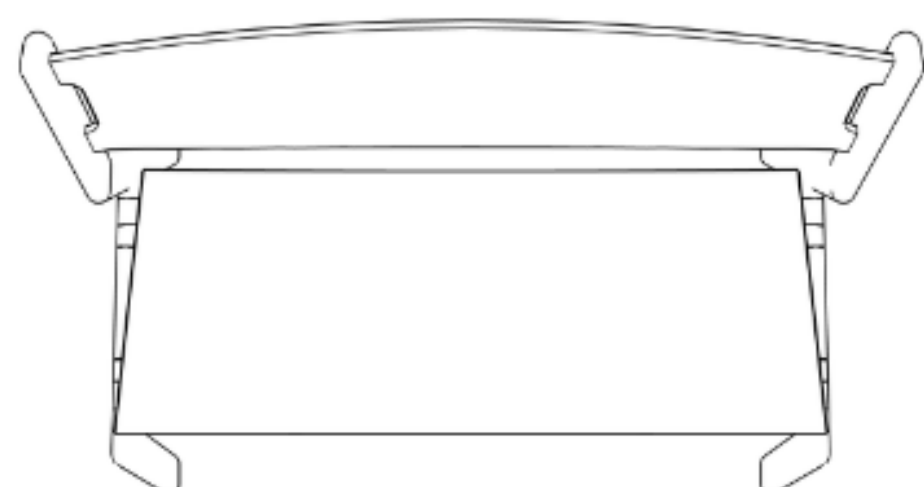

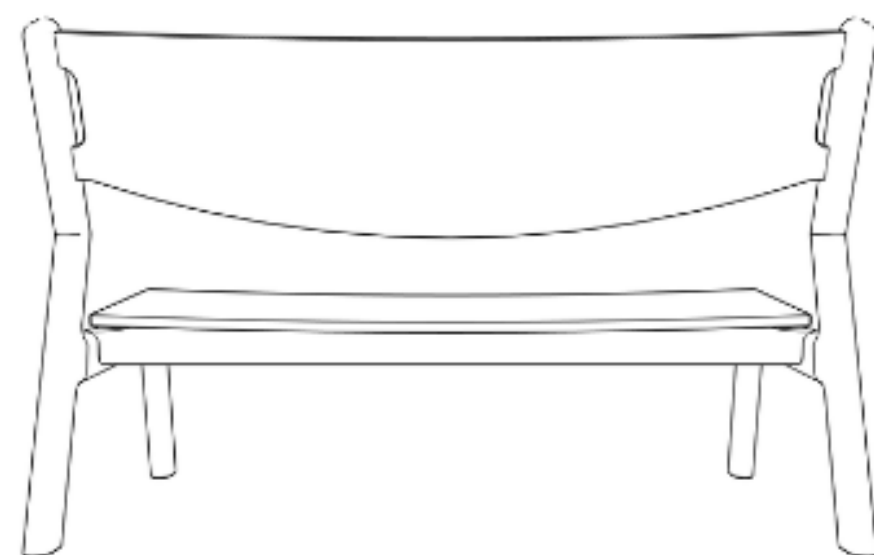

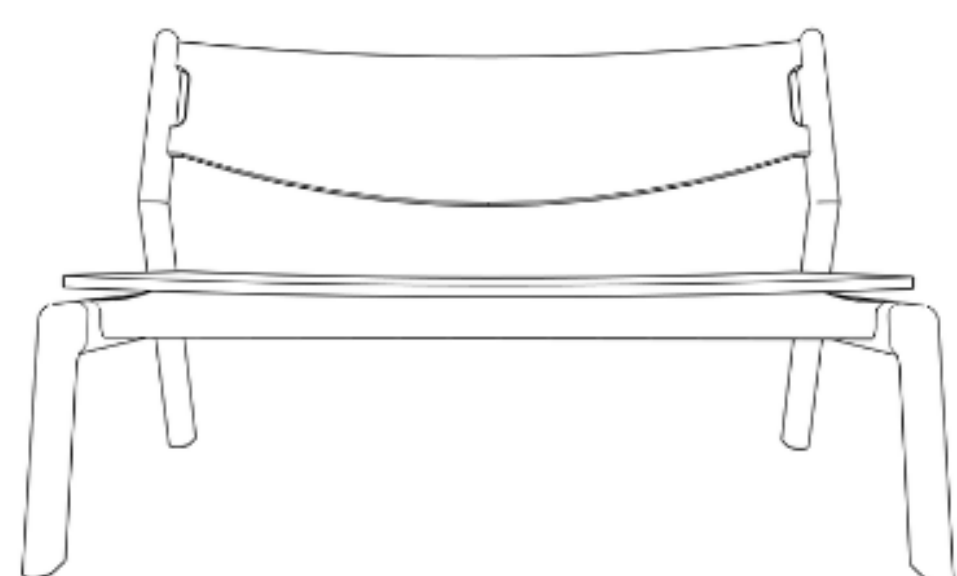

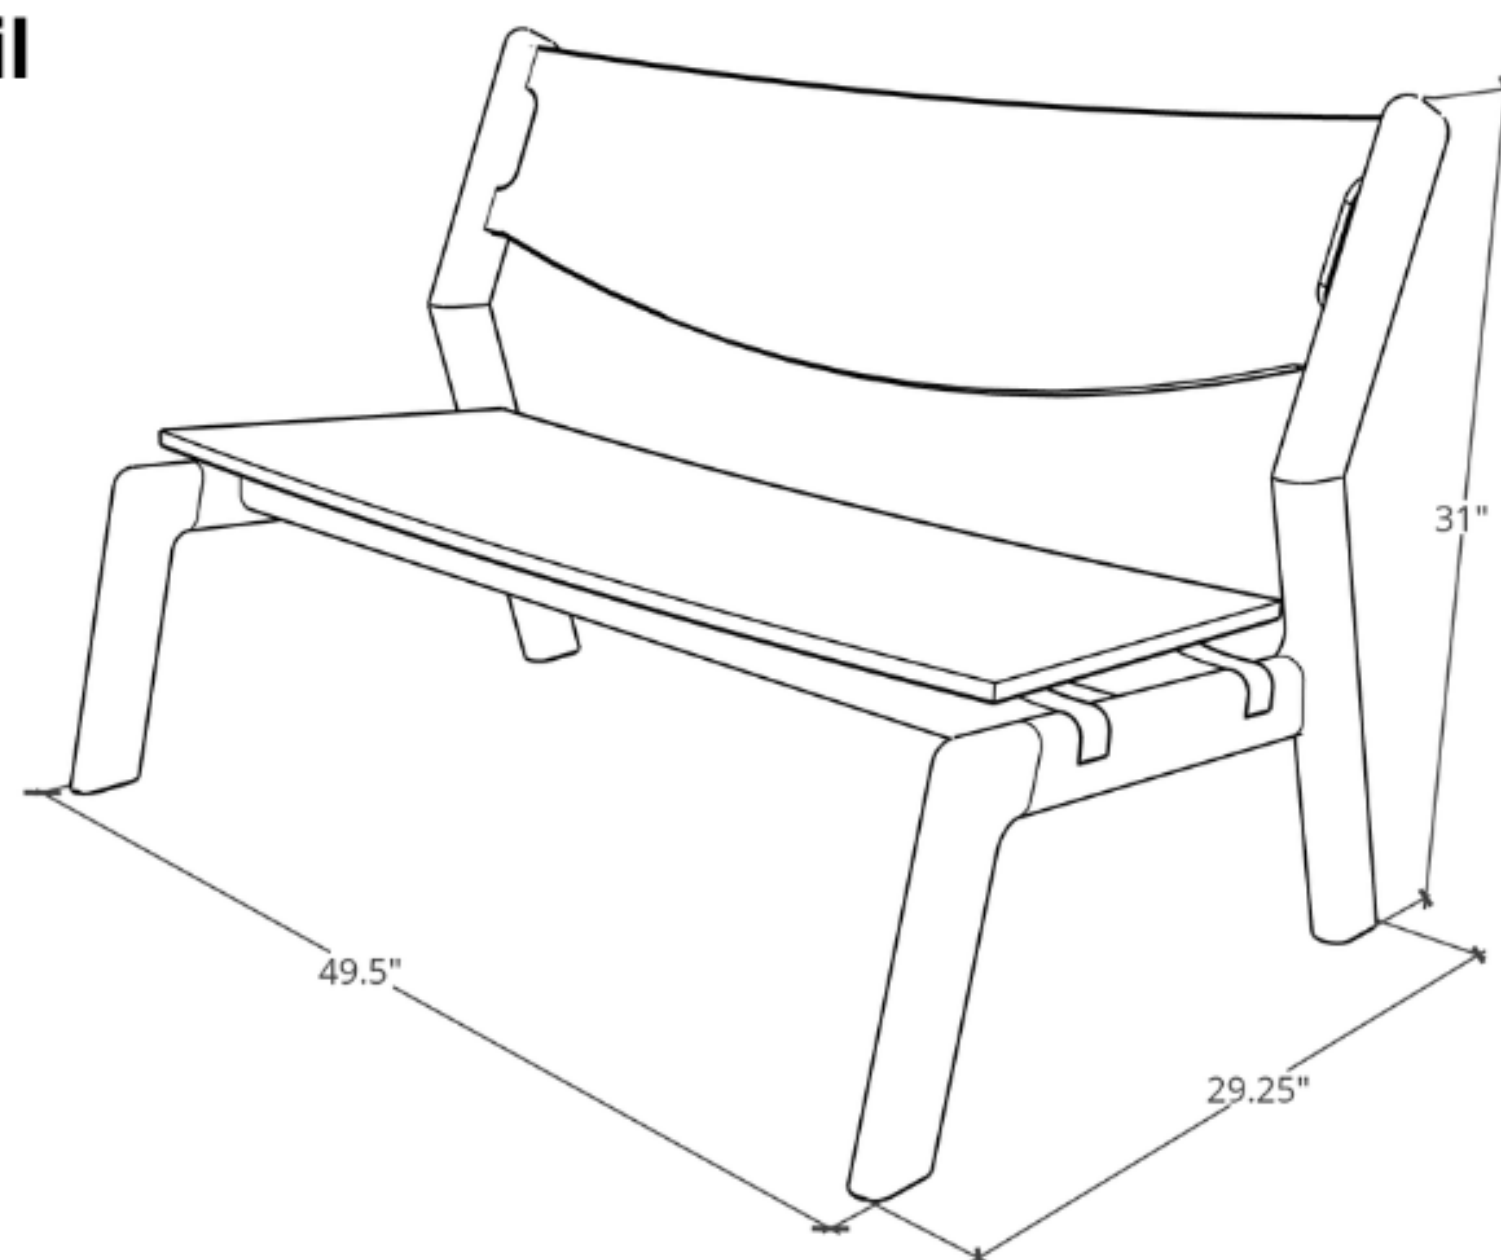

Designed with ergonomics, comfort and subtlety in mind, this love seat is as functional as it is sculptural. A solid wooden frame, made with traditional joinery, supports a bent laminated seat and back, which are carefully curved to cradle its occupant single or plural.

Sizes: Footprint 29.5" x 49.5" Height 31"

Material Options": Ash, Black Walnut, White Oak

Seating pad made of 100% wool felt and cork.

Finished with hardwax oil
